

National Volunteer Week: 21st - 27th May, 2018

This is a marvellous organisation where you can browse categories and align your interests with the organisations on their register from all around Australia. It's a simple concept and it works! Just go to their website: www.volunteeringaustralia.org and then the heading, 'Get Involved', followed by 'Go Volunteer'.

Get involved in Australia's volunteering network of 6 million contributors via any of the following options:

- Membership
- Supporting Volunteering Australia
- Purchasing merchandise
- Employment

If you aren't currently volunteering, pledge to volunteer and help make Australia the happiest place on earth!

Gordon McMillan has been a volunteer member and presenter at FM107.5 (Orange Community Broadcasters Inc.) for many years, in fact, since his retirement from working as a dedicated presenter for ABC radio. Now that's loyalty and commitment! Thanks, Gordon!
